

Cookie Statement

Embedded content from social media sites such as YouTube, Facebook, LinkedIn, often contain cookies. These third parties may collect information about your use of this and other websites, e.g. through the use of cookies. A cookie is a small file downloaded onto your computer when you access pages of a website and it's stored by your browser on your computer's hard-drive. The information collected through the use of cookies, can be used for the following purposes:

- For functional purposes: in order to facilitate navigation and logging onto the websites or to remember your settings and/or preferences when using the websites.
- For analytical purposes: in order to analyse the use of the websites.

The data collected with this information is not transparent to us as a website owner. Nevertheless, prior permission must also be requested from our visitors.
