

# Fred Abbink

*Widely employable*

**Fred studied electrical engineering at TU-Delft. He is President of the Supervisory Board at NedAero at the moment and has been CEO at NLR. He is widely employable.**

The NAG supports its members and start-ups through the development of expertise, advocacy, access to the national and international markets, and an extensive network. The Independent Experts Program offers this expertise of recent retired experts, employed by one of the members and who is committed to the values of the NAG: to obtain a better market position by sharing knowledge and working together.

Please contact the NAG Office for more information at:
