

Rob de Wit

*Marketing/Sales/Business Development/ Legal,
General- and Projectmanagement, Supply Chain/Purchase*

Rob holds a Master degree in Business Administrations. He occupied various higher management functions within Finance, Marketing & Sales, Program Management and Operations at Fokker Aircraft.

Rob de Wit holds a Master degree in Business Administration next to his bachelor degree in Aeronautical Engineering.

He started his professional career at the Fokker space division towards Project Manager for various manned and unmanned space projects after which he joined Fokker Aircraft and occupied various higher management functions within Finance, Marketing & Sales, Program Management and Operations. As such he developed a broad and in-depth experience in the Aerospace business.

After Fokker Rob joined DutchAero (Subsidiary of the Italian Avio group), the former Philips Aerospace, and was responsible for Business Development and Program Management. The last three years of his career he was director of AD-S&Co, a trading company specialized in distribution and repair management of civil and military helicopter parts and components.

Occupied board memberships in several aerospace / defence branch organizations like the Netherlands Aerospace Group.
