Managing Board:

(names and functions)

Legal form of the organisation:

If part of a group of companies, please describe in detail:

Date of establishment of the organisation:

Registered at the Chamber of Commerce in:

Under number:

Bank details and account numbers:

Short description of company:

Activities:

Aircraft Manufacturing

Airframe / Subsystems / Components
Auxiliary Systems / Tooling / ICT Tools
Avionics / Simulators / Control Systems
Electrical and Electronic Systems
Interiors
Mechanical and Hydraulic Systems
Metal & Metal Processing
Propulsion / Engine Components
R&D / Engineering / Testing
Space Subsystems / Components
Special Materials / Composites
UAV's

Aircraft Maintenance

Airframe / Subsystems / Components
Auxiliary Systems / Tooling / ICT Tools
Avionics / Simulators / Control Systems
Electrical and Electronic Systems
Ground Support Equipment
Interiors
Mechanical and Hydraulic Systems
Metal & Metal Processing
Propulsion / Engine Components
R&D / Engineering / Testing
Space Subsystems / Components
Spare Parts
Special Materials / Composites
UAV's

Airport Development & Infrastructure

Airside Operations & Solutions
ATC
Construction
Design / Consultancy
IT Systems
Material Handling Systems
Passenger Handling Systems
R&D / Engineering / Testing
Safety & Security
Terminal Interiors

Services

Area Development
Consultancy / People Management
Education / Training
End-of-Life / Recycling
Logistics / Passenger Handling
Supply Chain Management
Trading

Certifications:
